

Dear Principals

Bangalore Sahodaya Schools Complex would like to intimate all the member schools of the different training programmes conducted by CBSE Centre of Excellence, a wing for various professional development programs for academic subjects and other CBSE co-scholastic areas.

Dr. G Manulal, Advisor Training was very keen to train a pool of master trainers from Karnataka and hence this exclusive programme. We would request all the schools to go through this very carefully. Please note that schools may identify senior teachers for the programme **and may submit the scanned copy of the duly prescribed form via email to [cbsecoekochi.prp@gmail.com](mailto:cbsecoekochi.prp@gmail.com) on or before 11th July'16**

BSSC would urge schools to identify senior teachers who are good in the subjects mentioned in the forms and this will help BSSC to have a large pool of master trainers in various subjects and it is also a matter of pride for BSSC to have master trainers from Bangalore.

**Please do not send any forms to Bangalore Sahodaya ([bangaloresahodaya@gmail.com](mailto:bangaloresahodaya@gmail.com)) and if you do we will not forward the emails to CBSE.**

Please note that only the short listed candidates from CBSE can attend this program as it is a PRP programme and short listed candidates will be informed separately from CBSE.

**Member schools may kindly note that this programme is not organized by Bangalore Sahodaya Schools Complex and it is directly executed by CBSE and BSSC is only facilitating in informing various schools of the different programmes.**

**PRP training details are given below:**
