About the Workshop:

With the purpose to ensure reliability and validity of assessment practices at school level, over the last few years the Board has initiated collection and verification of the 'Evidences of Assessment (EoA) conducted at school level. These Evidences of Assessment and the marks awarded are verified by the subject evaluators appointed and empanelled by the Board at the Regional level.

BSSC is organizing a workshop for Principals and teachers involved in sending the Evidence of Assessments. We believe that this orientation would help schools to understand the various processes involved in the collection of evidences.

- Understanding the rationale of formative and summative assessments and filling in the form
- How to submit evidences for various scholastic and co-scholastic activities.
- Filling in the form provided by CBSE.
- Packing and sending evidence of assessments to various nodal centers.
