

Dear Principal,
Greetings!

It is a fact that the teachers are the pillars of an educational institution and promoting their quality is a key element in improving the efficiency of the institution. This emphasizes the need of a systematic in-service training programmes especially for teachers, over and above their formal education and experience. Hence the CBSE advocates for a systematic Capacity Building Programmes for the teachers, Principals, students and their Parents.

The CBSE Capacity Building Programme aims at creating situations where all teachers are able to get the best possible professional preparation and support for updating their various skills, especially the pedagogical skills, which result in good quality and motivated teachers for all levels of education through its Centers Of excellence (COEs) and that in turn will assist students with relevant and effective learning.

Hence, in order to enable your teachers also to participate in the teacher's capacity building programme, the CBSE Centre of Excellence, Kochi has scheduled the following CBSE TRAINING PROGRAMMES in the month of September'16 for the teachers of affiliated Schools in BENGALURU, who couldn't attend the programmes last month. .

The details of the training programmes are given below:
